Subject: Freedom of Information Act request, EPA-HQ-2015-01114

Dear Mr. Ecklund:

This email concerns your Freedom of Information Act (FOIA) request seeking information as it relates to EPA's action involving Volkswagen.

The response to the Volkswagen request involves numerous personnel and multiple offices of the Agency having substantial subject-matter interest therein. Therefore as provided by 40 C.F.R. § 2.104(d), an extension of time to respond to your request is necessary because of the unusual circumstances due to the need for consultation among two or more components of the agency presented by your request.

The due date for your request is now November 9, 2015, which is ten working days from the original due date of October 26, 2015. We will contact you on or before that date to provide you with a status update.

Thank you for your patience while we continue to process your request.

Sincerely,

David E. Alexander
